

Hotline Services

Our telephone and web-based ethics and compliance hotline service offers the security of confidential and anonymous reporting with the convenience of 24-hour service. We designed our proprietary hotline service to be a cost-effective and easy-to-use solution.

Who We Are

Compliance Resource Center has been leading the compliance industry since 2010 with our complete suite of solutions that are geared towards improving Compliance Program operations. Our suite of solutions ensures that organizations regularly meet federal and state laws and supplies the necessary resources to sustain long-term compliance.

Live Answer Telephone Reporting

Individuals can report a possible ethics or compliance violation at any time in any language. We document all information in a secure online module that only designated individuals in your organization can access.

Secure Online Reporting

Our online system guides individuals through reporting the most essential information when it's convenient for them. Individuals can add to or review the report after it has been submitted by logging in with their unique PIN.

Personalized Service & Support

Our associates are trained to fully debrief callers and to collect all critical information. We notify Compliance Officers about any highly sensitive or urgent matters prior to sending our certified report.

Protected Sensitive Information

We track all issues reported by telephone and online through resolution via our secure online module. Our module instantly sends all reports to our client's protected inbox for review and download.
